To whom it may concern,

We would like to inform you that we will be launching a new Mobile Phone brand here in the Philippines, Nothing Technology Limited ("NOTHING"). NOTHING is a London-Based brand that we, Digits Trading, Corp. ("DIGITS"), are partnering with; to introduce their new product, Phone (1) with model number A063, to the Philippine Consumers this coming July 2022.

As it is known, the NTC has requires all suppliers / dealers to procure a physical NTC Sticker to certify the legitimacy of the units being sold. In the case of NOTHING Phone (1), with Grant of Equipment Conformity No. ESD-GEC-2207525, we would like to proceed with e-labels for the phone units to be more eco-friendly and to ensure that all units, even when in use, will still have the labels. If we use the physical sticker, we can only attach the stickers outside the box since all units will be sealed upon shipment to us.

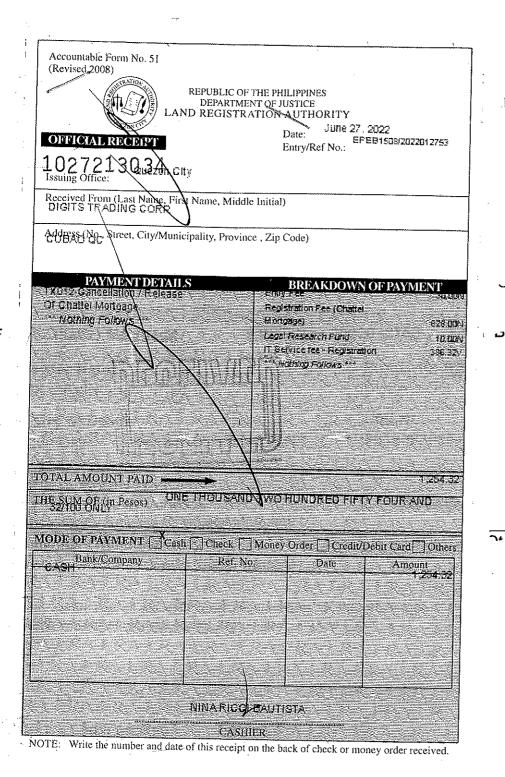

If this is amenable to you, we would like to ask for the requirements and guidelines in order to process the NTC e-labels for the units as soon as possible. Hoping for your quick response. Thank you!

Best Regards,

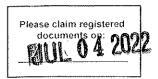

Howard Paw

Corporate Secretary
